

James Allistaire F. Corpuz

Centro 04 • Tuguegarao City, 3500 • jamescorpuz1805@gmail.com • 09452259026

An aspiring Computer Engineer who is dedicated into adapting challenges despite the complexity as driven by a passion of interests in Computer systems and automation, and committed to apply knowledge from both theoretical and practical learned formally ranging from software development and hardware integration, and to contribute for innovation.

EDUCATION

Cagayan State University - Carig Campus

Bachelor of Science in Computer Engineering

Cagayan National High School - Senior High

With Honor

Cagayan National High School

With Honor

St. Claire Montessori School

Tuguegarao City, Cagayan

Expected June 2027

Tuguegarao City, Cagayan

July 2023

Tuguegarao City, Cagayan

June 2021

Tuguegarao City, Cagayan

March 2017

SKILLS AND INTERESTS

Technical: Computer programming (Python, C++, Java), Embedded Systems Development, Basic Networking, CAD modelling, Cybersecurity

Laboratory: Troubleshooting of Computer and Hardware Systems, Network Configuration

CERTIFICATIONS

Civil Service Eligibility- SubProfessional Level

March 2025

Basic Occupational Safety and Health (BOSH) – SO1

June 2026

LEADERSHIP AND ACTIVITIES

Regional ITE summit 2026 – Research Category Participant

July 2026

Ctrl + Alt + Lead: Reprogramming Leadership for the Future

March 2025

College of Engineering and Architecture days 2024 - Extemporaneous Speaking participant

September 2024

CpEyesta 2025 - Quizbowl participant

April 2025

CpEyesta 2024 - Quizbowl participant

April 2024

ADDITIONAL INFORMATION

Interests: Software Development, Embedded Systems and IoT Development, 3D CAD Design, Hardware Integration, Cybersecurity, Networking

Language: English (Fluent), Filipino (Native)

Soft Skills: Critical Thinking and Analysis, Adaptability, Teamwork
